

Friends of IGS Honor Roll

We want to express our gratitude to the many supporters who ensure that IGS is able to continue its mission. Despite the difficult budget challenges confronting the university, we are working to maintain our existing programs and in some cases to expand into new areas, and these efforts would be impossible without a broad base of private supporters. Below is the IGS Honor Roll of supporters for 2008–2010.

Why I Give

"I admire IGS and its work. I'm a political scientist, and over the years I've gone to a lot of events and come to know a lot of the faculty. Intellectually, IGS is a first-rate operation."
